

# "Secret of Success"

## Individual

'We have to abandon the idea that schooling is something restricted to youth. How can it be, in a world when half the things a man knows at 20 are no longer true at 40 - and half the things he knows at 40 hadn't been discovered when he was 20'

**Arthur C Clarke**

## Organization

An organization's ability to learn, and translate that learning into action rapidly, is the ultimate competitive advantage.

**Jack Welch**
