

# “3 Great Books – 3 Powerful thoughts”

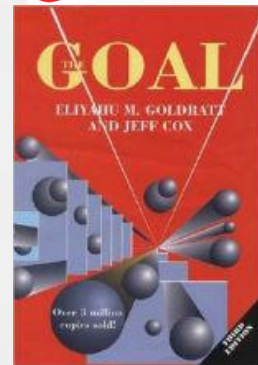

Great habits are intersection of

1. Knowledge ( What to do and Why)
2. Skills ( How to do)
3. Desire ( Want to do)

- Good is the Enemy of Great
- People are NOT your assets. Right People are. Wrong people are Liabilities
- Great organizations are made by Disciplined People, Disciplined thoughts and Disciplined actions.

The three measurements which express the goal of making money are throughput, inventory and operational expense. **Throughput** is the rate at which the system generates money through sales. **Inventory** is all the money that the system has invested in purchasing things it intends to sell. **Operational expense** is all the money the system spends in order to turn inventory into throughput.
